

STARWONDER
INDUSTRIES

Wish More,
Better...

Thought

Starwonder aims to meet various needs of clients through constant innovation of high quality driven products with prompt service and taking to a journey of happiness, satisfaction and sense of belongingness.

Know **STARWONDER**

Starwonder Industries is the manufacturer and supplier of all types of Shutters, Panels and Carcass required for kitchen, wardrobes, beds and all kinds of home, office furniture.

Why STARWONDER

1

35 Quality Parameters Assured

Starwonder is extremely cautious about delivering quality products to it's clients. To ensure this in all 35 quality parameters are in operation from raw material until dispatch of finished product/s. Therefore quality of shutters is maintained and not compromised.

2

Strongest Bond Assured

To ensure strongest bond between core material with its surface materials, a unique formula is implemented. Wherein the high quality glue is used in the product, under 120 tons of pressure at specified heat which bonds the product for longer lasting.

3

Endured Sealing Assured

Increased durability of finished products and retain its smooth surface of edges from scratch / crack remains a speciality. Starwonder uses high quality PVC material / Acrylic for a fine edge and finished product.

4

250 Plus Exclusive Range

Starwonder at any given time provides marine shutters in more than 250 exclusive colours, shades in more than 5 variants which include Laminate, Acrylic, Polymer, Flower and PU Shutters.

5

Facility of Tailor-Made Design

Starwonder strives for customer satisfaction as it remains our priority, therefore we have tailor made window to serve customers, which makes us flexible in working according to needs and requirements of customers even in base material like HDHMR, MDF etc.

6

Relish Anti-Fade Appearance

Starwonder does not compromise in grades and standards of the finished goods, which leads to minimised and extreme slow speed of discolouration, hence its clients relish using Starwonder shutters for longer period of time.

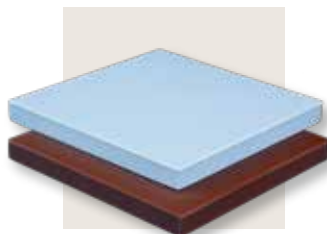

7

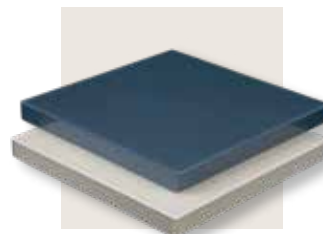

Feel Superior Finish

Starwonder MF process strictly avoids supplying damaged products to its clients, this is done through a in house developed 'Micro Finishing Process'. Thus we make the difference in our finished products.
